E-Hybrid Driving Experience

Compass e-Hybrid deliver an innovative hybrid driving experience thanks to a specific propulsion system featuring:

- a new 1.5 T4 turbo 130 hp 240 Nm **gasoline engine**,
- coupled with a new **7-speed dual-clutch transmission**, integrating a **48-Volt 15-kW electric motor**.

The water-cooled 48-Volt battery also includes a 48-to-12 Volt DC/DC converter, and a **Belt Starter Generator** has been introduced for smooth restart of the engine at low speed, thus increasing comfort.

The new **4-cylinder turbocharged engine**, from the Global Small Engine family, has been designed to **be the best fit for hybrid usage**.

It operates on the **Miller cycle** which offers a high compression ratio (12.5:1) and **improves thermal efficiency therefore reducing fuel consumption**.

Courtesy of the e-Hybrid propulsion system, Compass offers a new alternative in the two-wheel-drive segment. Customers can keep their driving habits intact and **enjoy a real hybrid experience**, with the opportunity to move in full electric – at low speed or during sailing – thanks to new “EV capabilities”.

- Silent Start starts the vehicle without turning on the petrol engine.
- Energy Recovery recharges the batteries when the vehicle decelerates (e-Coasting) and during braking (Regenerative Braking).
- e-Queuing enables electric stop and go when jammed in traffic.
- e-Launch allows launch in electric mode when starting up or restarting the vehicle.
- e-Boosting increases torque to the wheels with the support of the electric motor when accelerating and optimizes the operating point of the petrol engine (thus reducing fuel consumption and CO2 emissions) when cruising.
- e-Creeping makes the vehicle travel with zero emissions at low speed, by simply releasing the brake pedal.
- e-Parking simplifies parking manoeuvres and carries them out in EV mode, silently and at zero emissions.

The hybrid driving parameters are controlled by the driver via the **Hybrid Pages** on the infotainment display, or from dedicated screenshots in the instrument panel.

JEEP® COMPASS

Jeep

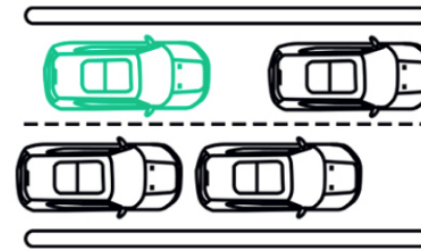

E-CREEPING

The vehicle can move slowly in pure electric even with the internal combustion engine switched off, by releasing the brake pedal and letting the electric motor kick in.

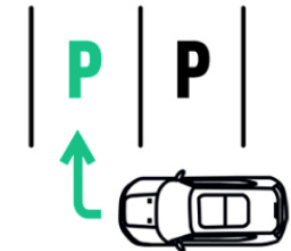

E-LAUNCH

Thanks to new e-Hybrid technology, the starting the vehicle is smooth, silent, and in pure electric mode.

E-QUEUING

Thanks to the low speed driving in pure electric, the e-Hybrid technology allows you to move smoothly and quietly even when starting and stopping between traffic.

E-PARKING

Thanks to this technology, parking manoeuvres can be carried out in pure electric mode.

S-MODEL PHEV

INTERIOR

- 2-Way Power Lumbar Adjust (Driver Only)
- 60/40 Split Folding Rear Seat
- All-Weather Floor Mats With Jeep Logo
- Auto-Dimming Rearview Mirror
- Centre Console Storage With Sliding Armrest
- Driver And Front Passenger 6 Way Manual Seat Adjust With Heating Function
- Driver And Passenger Power Windows With Express Up And Down
- Front Passenger Flat Fold Seat
- Front Seat Back Pockets
- Leather Wrapped Gear Shift Knob
- Leather Wrapped Heated Steering Wheel With Audio Controls
- Premium Leather Seats With Black Stitching
- Rear Armrest With Cupholder
- Sun Visors With Illuminated Vanity Mirror

EXTERIOR

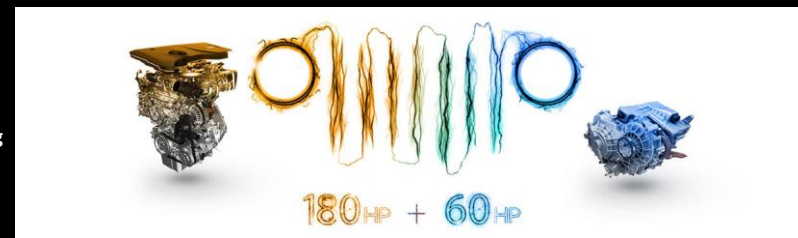

- 19" Gloss Black Painted Wheels
- Aspheric Gloss Black Power Adjust Door Mirrors
- Auto High Beam
- Auto Power Folding And Heated Door Mirrors With Dynamic Signalling
- Black Roof Rails
- Capless Fuel Filter
- Chrome Jeep® Logo
- Deep Tinted Sunscreen Glass
- Gloss Black And Neutral Grey Exterior Accents
- Gloss Black Grille With Grey Accents
- Led Reflector Headlamps With Tail Lamps Plus Front Fog Lamps
- Rear Fog Lamps
- S Badge
- Smartbeam Headlamps

FUNCTIONALITY

- 10.25" Tft Cluster Display
- 1st And 2nd Row USB Ports (Type A & C)
- 6 Speakers
- Bluetooth Streaming Audio
- Driver And Front Passenger Airbags With Seat Side Airbags
- Dual Zone Automatic Air Conditioner With Pre-Conditioning
- Front And Rear Curtain Airbags
- Front Park Sensors
- Heated Windshield Wipers
- Rain Sensitive Wipers
- Rear Seat Belt Reminder With Occupant Detection
- Select-Terrain With 4 Drive Modes: Auto, Sand/Mud, Snow, Sport (For PHEV)
- Tpms (Tyre Pressure Monitoring System)
- Trailer Sway Damping
- Uconnect™ 5 R1 Radio - 10.1" Display With Nav + DAB
- Wireless Charger

ON BOARD TECHNOLOGY

- Active Speed Limiter + Adaptive Cruise Control
- Drowsy Driver Detection
- Electric Park Brake with Auto Hold + Hill Start Assist
- ESC (Electronic Stability Control)
- Forward Collision Warning Plus Mitigation
- Global Telematics Box Module (PHEV Only)
- Hands Free Power Lift Gate
- Hill Descent Control
- Intelligent Speed Assistance
- Keyless Enter 'N Go
- Lane Departure Warning Plus
- Parksense Rear Park Assist + Camera
- Pedestrian & Cyclist Emergency Breaking
- Premium Security Alarm
- Rain Brake Support
- Traffic Sign Information

THERE'S ONLY ONE

*Fuel consumption and CO₂ figures determined on the basis of the new WLTP test procedure as per Regulation (Regulation (EU) 2018/1 832). Only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. Figures for Compass 4xe PHEV were obtained after the battery had been fully charged and using a combination of battery power and fuel. The Compass 4xe is a plug-in hybrid vehicle requiring mains electricity for charging.

These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Additional equipment and or options may also affect fuel consumption and the CO₂ emissions produced. For further information, please visit Jeep.ie or contact your preferred authorised Jeep[®] dealer.

**RRSP excludes dealer delivery and related charges. Pricing relates to current stock only. New / Bespoke orders may be subject to a price increase.

The colours and photographs illustrated can be affected by many factors including technical settings and the printing process and are therefore for guidance only and may differ from a real life environment.

IMPORTANT NOTICE: Jeep Ireland endeavours to keep all pricing and specification up to date however final orders and products offered for sale may differ from those described or indicated in this document due to subsequent changes in specifications and / or component & supply constraints. The contents and descriptions are therefore to be treated as representations as to the current availability of products as described, or as to products actually offered for sale. Jeep Ireland, a trading name of Gowan Motor Distribution Ltd. reserve the right to make changes at any time, without notice, to prices, colours, materials, equipment, specification and versions and also to discontinue models. All details correct at time of going to print. Please consult your preferred Jeep Dealer for the most up to date information. This price / specification list is not a contractual document or offer of sale.

Price excludes dealer delivery and related charges.
